

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary is wrong.

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. By airing this program you are not serving the public but instead the anti-democratic devices of the republican party.

Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. They show why the license renewal process needs to involve more than a returned postcard. Thank you.
